

June 2017

Dear Parents of Incoming Kindergarten Students,

Kent Center School will participate in the **2017 Governor's Summer Reading Challenge**. As a participating school, we are asking you to help your child keep a list of the books you read to him/her this summer. Your child should bring his/her list to school on the first day of kindergarten.

Enclosed you will find a SUMMER READING JOURNAL to record titles read and a suggested reading list. The Connecticut State Library created the list to help families guide their summer reading choices. If you would like more suggestions or need an additional journal, please visit the Kent Center School website (www.kentcenterschool.org).

Sincerely,
Betsy Morrow
KCS Librarian
