

**BUILD A BETTER WORLD**

June 20, 2017

Dear Parents and Guardians,

Kent Center School is participating in **CONNECTICUT READS 2017 – the Governor’s Summer Reading Challenge**. This annual program encourages students to keep a list of the books they read during summer vacation. This includes audio books, read-alouds, and independently read books.

All students should record the books they read this summer. Students may record their information on the enclosed SUMMER READING JOURNAL or on a regular sheet of paper. Students should return their summer reading lists when we return to school in August.

Enclosed you will also find a suggested reading list. The Connecticut State Library created the list, also available on the KCS website ([www.kentcenterschool.org](http://www.kentcenterschool.org)), to help families guide their summer reading choices.

Happy Reading,

Betsy Morrow, School Librarian
