

BUILD A BETTER WORLD

June 20, 2017

Dear Parents and Guardians,

Kent Center School is participating in **CONNECTICUT READS 2017 – the Governor’s Summer Reading Challenge**. This annual program encourages students to keep a list of the books they read during summer vacation. This includes independently read books and audio books.

All students should record the books they read this summer. Students may record their information on the enclosed **SUMMER READING JOURNAL** or on a regular sheet of paper. Students should return their summer reading lists when we return to school in August. Suggested reading lists, created by the Connecticut State Library, are available on the KCS website (www.kentcenterschool.org).

Happy Reading,

Betsy Morrow, School Librarian
